REFERENCE(S)

1. During our former contact with Hans DAUFELDT ███████████ we obtained some information on Subject which we are forwarding because of his involvement in the Rote Kapelle complex.

2. DAUFELDT reported that he first met HENSELER in the summer of 1942 in Geneva when HENSELER was secretary of the Christian-Social Labor Union at the League of Nations, Geneva. HENSELER was born about 1904 and had an apartment with his wife in Geneva. He worked for the Abwehr to which he delivered all his reports, and Hans MEISSNER (███████), Abwehr Chief in Switzerland, spoke highly of HENSELER's efforts to DAUFELDT. Regarding his work against the Rote Kapelle, HENSELER spoke often to DAUFELDT, claiming personal contact with the Rote Kapelle. He also stated that he knew a girl secretary of the Rote Kapelle whom he regularly took out and finally through her obtained certain codes which enabled the Abwehr to decipher considerable traffic to and from the Soviet Union.

3. In 1951 DAUFELDT met HENSELER by chance in Duesseldorf where the latter was working for a labor union. He has had no contact with him since.
